One Winner, 25 Competitors

Chapter 1: Meeting the Competitors

Hello! My name is Chris McLean and this is the first ever season and the first ever 25 competitors on this show. And then the first ever competitor arrived and it was a her. And her name was Bella and my eyes were watering the first time that I saw her face and then I started to cry because she was so beautiful. And then the next person came of the boat and it was a him. He was called Noah and he just walked straight past me without even looking at me one single bit.

And then the third person came and it was a he again. His name was Jack.

And then the next person came and it was a her. Her name was Eva or angry Eva.

And then the next person came and it was a he. His name was Duncan.

And then the next person came and it was a he again. His name was Jake.

And then another person came and it was a her. Her name was Katie.

And then the next person came and it was a he. His name was

Geoff.

And then the next person came and it was a he again. His name was Owen.

And then the next person came and it was a he again. His name was DJ.

And then the next person came and it was a her. Her name was Heather.

And then the last few people came off the boat and I then greeted then all but they thought that the island was a summer camp.

And then last few people's names were Izzy, Courtney, Tom, Justin, Beth, Evie, Owen, Amy, Sandy, Sandra, Joy and Harold.

And then I told the competitor's that they will be doing a lot of challenges and there will be a winner and there will be 24 losers so you all need to be good at the challenges or you will be going home and you will never be able to return.

So I made then got to the huts or they can be called cabins. And they all went to bed.
